This group is designed to help progress the music reading skills of strings students who have been reading music for one or more years. It is a great opportunity for students ages 7 and up who are experiencing string orchestra for the first time. The students will work on sight-reading, rhythmic training, and ensemble playing. Returning students help mentor newer students. The Strings Reading Orchestra performs twice a year.

**When**
Thursdays, 5-5:45 p.m.
Class begins January 28, 2016

**Cost**
$135 per semester (10 weeks)

*To enroll, please contact the MSU Community Music School at (517) 355-7661 or register online at www.cms.msu.edu*
