This group is designed to help progress the music reading skills of strings students who have been reading music for one or more years. It is a great opportunity for students ages 7 and up who are experiencing string orchestra for the first time. The students will work on sight-reading, rhythmic training, and ensemble playing. Returning students help mentor newer students. The Strings Reading Orchestra performs twice a year.

When
Thursdays, 5-5:45 p.m. Fall 2017 semester classes begin September 14, 2017

Cost
$135 per semester (11 weeks);
$85 per semester for students enrolled in the Suzuki program
