Suzuki students may start as young as age 4 or 5 years old. The Suzuki method of instruction is based on the premise that learning is the product of environment and any skill can be learned when broken into small, manageable steps. All the same principles of Suzuki teaching apply with an emphasis on tone, aural skills and memorization, playing in groups, and having fun! Students participate in group and private lessons weekly. Instruction is available on violin, viola and cello.

For more information, or to enroll, please contact the MSU Community Music School at (517) 355-7661.
