Have you ever wanted to be in a band? Children and adolescents who enjoy music and who have an interest in singing and playing (keyboard/piano, bass, guitar, percussion) join together in creating music. All of the interventions are success-oriented, so no prior musical training is needed. Come and learn some good old rock ‘n’ roll and other popular tunes, while developing social, communication, and personal skills.

**When**
Mondays, 6:30-7:15 p.m. Begins January 25, 2016.

**Instructor**
Åshild Rødsætre-Thompson

**Cost**
$144 per student (8 sessions)
