PROGRAM DESCRIPTION

The Summer Arts Academy (SAA) is a 10-week intensive program designed to provide challenging educational and training experiences in the fine and performing arts. SAA is an expansion of successful Summer Arts Camps that have been provided by the Arts League of Michigan (ALM) for more than a decade. SAA is designed to nurture the talents of emerging young and adolescent artists across multiple disciplines: visual arts, dance, and jazz music.

SAA consists of a dance academy, jazz academy, and 2 visual arts programs: the Young Artists in Training Academy and the Art in the Studio, Art in the Park (ASAP) program. Each academy will end with an appropriate closing showcase (i.e., exhibition or performance). Through a partnership with Mosaic Youth Theatre of Detroit, students can also attend The Broadway Theatre Workshop Musical Theatre Intensive.

In all sessions, Students will be required to demonstrate a willingness to learn and grow, and are expected to be timely, professional, and adaptable to a fast-paced environment.

Each program will run for consecutive weeks, 8:00 a.m. – 3:00 p.m., 5 days weekly.

Tuition: $100 per week.

Young Artists in Training Academy (ages 12-18; June 16-July 19)
Students enrolling in this program must demonstrate talent and some degree of proficiency in the visual arts. The program will immerse students in individualized and group sessions to improve technique, challenge them to approach new media, and push the limits of their creativity. For the first four weeks students will study a variety of media including painting, drawing, and sculpture. For the 5th week, students will operate a booth at the nationally prestigious Ann Arbor Art Fair, where they will offer for sale the work they produced during the Academy.

Art in the Studio, Art in the Park (ASAP) (ages 7-12; July 21 – Aug. 1)
This academy will orient students and move them to comfort with the wonders of the visual arts and producing their own work. Instruction will focus on skill development and assisting students to understand the processes used in bringing ideas to life through various techniques and media. A portion of the time will be spent in the traditional artist’s studio. Time will also be spent in the outdoor studio – Beatrice Buck Park – supporting students in drawing inspiration from the external surroundings.

Jazz Academy (ages 12-18; June 23-July 18)
This rigorous program will expose students to every aspect of jazz musical skills and performance, enhanced by one-on-one instruction. The program includes a focus on cultivating strong technique and expansion of repertoire. Theory, improvisational skills, music history, and jazz ensemble playing will be emphasized in the program.

Carr Center Dance Academy (ages 12-18; July 21 – Aug. 1)
Carr Center Dance Academy offers an extensive two week curriculum including classical ballet and modern dance focusing on Cecchetti, Horton, and Graham techniques. Creative movement highlights coordination and enhancement of motor skills with students diving into development of music syncopation and movement. The Dance Academy emphasizes developing a standard of excellence in dance performance and community engagement.

Broadway Workshops Detroit Musical Theatre Intensive* (ages 9-17; August 4 – 8)
The Musical Theatre Intensive will be directed by Marc Tuminelli, the owner of Broadway Workshop. Tuminelli is one of the top youth acting teachers in New York. Marc’s students have appeared on Broadway in Newsies, Elf, Billy Elliot, Mary Poppins, Shrek, West Side Story, The Addams Family and many others. In addition, students will work with Broadway Workshop guest teachers who have performed on Broadway, on TV and in major regional theaters.
